Rc.No. 19260/B5/52. Dated 10th March, 1953.

Sir,

Sub: Police - Fire Service Branch - Gifts and presents offered by private persons to Fire Service - Radio set offered by Dr. K.L. Aithala to Udipi Fire Station - Accepting of.

In appreciation of the meritorious service rendered to the public by the Udipi Fire Station, one Dr. K.L. Aithala of Udipi has expressed a desire to present a radio set with a loud speaker to the Recreation Club of the Udipi Fire Station. He has accordingly requested that permission may be granted for making the present. A copy of his letter is enclosed. The Deputy Inspector-General of Police, Fire Service Branch, Western Range, has recommended that the radio set, but not the loud speaker, may be accepted. There will be no additional expenditure to Government in this regard, since the annual licence fees for the radio set will be met out of the funds of the Recreation Club of Udipi Fire Station.

2. In this connection, I invite a reference to G.O.Ms.No. 1076, Public (Fire Service) dated 5-5-1948, wherein the Government granted the necessary permission to accept the cash reward of Rs.500/- offered by Messrs. Parry and Company, Limited, to each of the Fire Stations at Ranipet, Vellore and Madras and to utilise the same towards the recreation clubs of those stations.

3. In the circumstances stated above and with reference to Rule 3 of the Government Servants' Conduct Rules, I request that necessary permission may be granted for the acceptance of the radio set, offered by Dr. K.L. Aithala of Udipi, by the Recreation Club of the Udipi Fire Station.

Copy of letter dated 20th September, 1952 from Dr. K.P. Aithala, M.B. & B.S., Udipi, to the Inspector-General of Police, Fire Service Branch, Madras.

While acknowledging with gratitude the meritorious services rendered to Udipi Town by the local branch of the Madras Fire Services ever since its inception here, their services in the big Fire of 1949 at Udipi in saving the Sanctum Sanctorum and its premises of Lord Krishna's Temple which is a heritage of the highest moral, cultural and religious value to the Hindus of India, deserves special mention and the selflessness ~~which~~ which the calamity was faced and controlled by the M.F.S. personnel is not to be lost sight of. It has been the desire of a few distinguished friends of mine and myself since the last few years that the services of the local M.F.S. so far to Udipi should be recognised by some token or other. Now that the local M.F.S. is housed in a building constructed to meet many of the requirements of the Service with ample space for recreational and other activities, I along with some distinguished personalities of the Town propose to present a Radio set with a Loud Speaker to the Udipi Fire Station for the benefit of the Boys in the Service ~~in~~ at Udipi.

I, therefore, request that permission may kindly be accorded for making a present of a Radio set with a Loud Speaker to the Udipi Branch of the Madras Fire Services for the recereational purposes of the Boys.

Thanking you in anticipation and requesting your kind permission,

---
